

CONVERSATION WITH THE COMMISSIONER

MONICA CASERTA HUTT

May 11, 2017

Discussion:

- ❖ We anticipate that the conversation about the SFY 18 Budget, Legislation Reports will run into this time. Also, Commissioner Hutt would like to hear from Advisory Board members an update from their perspective about legislation and other issues that are impacting the DAIL populations.
- ❖ Also, Commissioner Hutt would like to talk with you about how we can build a stronger connection between the DAIL Advisory Board and some other boards, commissions and advisory groups. A few examples: DS State Program Standing Committee, TBI Advisory Board, Governor's Commission on Alzheimer's Disease and Related Disorders, State Independent Living Council.
